**4 Transforming Health Select Committee - Motion re**

Order of the Day read for the adjourned debate on the motion of Ms Bedford - That this House establish a Select Committee to inquire into and report on the benefits, costs and impacts of Transforming Health; and in particular –

- (a) the scope of policy issues which Transforming Health was designed to address (including federal health care funding cuts), and whether they were addressed adequately;
- (b) what other issues Transforming Health should have addressed;
- (c) the adequacy of the model of care proposed by Transforming Health, based around 3 tertiary hospitals and ‘centres of excellence’ supported by ambulance transfers;
- (d) the adequacy of consultation with clinicians and the community on Transforming Health and alternative models for consultation and engagement;
- (e) the degree to which a focus on primary health care could improve the overall effectiveness of the health care system;
- (f) the degree of difference between public expectations and the capacity of the health care system, as currently resourced, to meet them;
- (g) whether having regard to its revenue base the federal government is funding and appropriate share of the State’s health care budget (and what the State should be doing to address this); and
- (h) any other relevant matter.

Mr Pederick moved – That consideration of the Order of the Day be postponed.
