Notices of Motion – Private Members Business – Other Motions

Mr Venning to move – That this House, in light of the agreement in the Commonwealth Parliament, supports a review of the procedures of the South Australian State Parliament and requests the Standing Orders Committee to convene and formulate recommendations, to be reported to this House by 30th June 2011.

Mr Venning to move – That this House –
(a) notes the devastation caused by the recent earthquakes in Christchurch, New Zealand, the sister city to Adelaide; and
(b) urges the incoming Lord Mayor of the City of Adelaide to establish a relief fund.

Mr Piccolo to move – That this House –
I. Notes –
(a) the importance to continually improve animal husbandry practices to ensure the practical welfare of animals;
(b) the work being undertaken by the Pork Industry in Australia to phase out, as far as practical, the use of gestation stalls in the management of sows;
(c) the research being co-ordinated by the Pork Co-operative Research Centre (located at the Roseworthy Campus of the University of Adelaide) to ensure changes in sow and pig management are based on sound scientific evidence;
(d) that local pig producers acknowledges the participation of Woolworths in research to promote good animal husbandry practice;
(e) the unilateral decision made by Coles supermarkets to not purchase pork from Australian farmers who have not completely phased out gestation stalls by 2014;
(f) the refusal by Coles supermarkets to apply its decision to the producers and suppliers of imported pork; and
(g) the failure by Coles supermarkets to properly consult with local pig producers.

II. Expresses its concern that the decision by Coles supermarkets could have a significant negative impact on the Australian Pork Industry with no net benefit for animal welfare.

III. Calls on Coles supermarkets –
(a) to invest in research that will lead to improvement in animal husbandry practices;
(b) to work alongside the Aussie pork industry to achieve better universal animal welfare outcomes without having a significant adverse impact on the industry; and
(c) to support rural and regional communities by investing in research that will improve animal husbandry practices and the productivity of the animal related industries.
